Dear "Uncle John":

Last Tuesday I was  
delighted to hear Mr. Charles  
F. Sumner talk about "South-  
western United States. In his  
talk he told the correct  
way to pronounce the name  
of our city. It is Los Angeles.  
I have my own name. He said  
there was no loss to it,  
it was all gain. The A sounds  
like Ah. The g is hard  
as in gusher.

Yours truly.
